

Financial WellnessSM
Lower Health Costs,
Sustainable Savings

Improving Your Health Financially

CLIENT SOLUTIONS

Align with your employees to solve the health cost crisis:

Online digital tools and website PLUS

High touch, personal concierge service for patient advocacy WITH Engagement that works for every class of employee

Real solutions to reduce your medical spend and lower your employees' out-of-pocket costs. And we're just getting started....

Pricing Transparency

Employees can shop online & compare cost of providers for savings of \$500-\$2500 per use.

Patient Advocacy

Our personal concierge advisor will assist with price comparisons, medical bill review, provider settlements, benefit questions, and more...

Medical Bill Review

Our team of coding experts will check for coding errors and correct application of benefits.

Engagement, Incentive Programs, Communications

We're part of your HR team! We assist with all communications & training. We custom design & administer your incentive program.

- ✓ Coordination with your Wellness Vendor
- ✓ No Claims Feed Required
- ✓ Independent, Secure, HIPAA Compliant
