- Prepare for 2024 OE with HBR Training
- 2023 HBR Monthly Webinars

Employees Can Get Head Start on Open Enrollment

- Employees who are tobacco users and want to earn their monthly premium credit for 2024 don't have to wait until Open Enrollment this fall. They can take action **now** to save money throughout 2024!
- Starting July 1, 2023, tobacco users can attend a tobacco cessation counseling session at their Primary Care Provider's (PCP) office for FREE to earn a lower premium for 2024.
- They have until November 30, 2023, to take action. (Note: If employees combine their tobacco cessation visit with another service, there may be a copay.)
- This convenient employee option means there's no need to wait for Open Enrollment in October to secure their monthly premium credit for 2024.

How It Works

- After employees visit a PCP for their tobacco cessation session, the provider will submit a claim on their behalf.
- To ensure they receive credit for their visit, employees can upload their office visit summary to the “Document Center” located in [eBenefits](#), the State Health Plan’s enrollment system. They should make sure to request a copy of their summary during their visit.
- This action is **ONLY** for tobacco users who want to reduce their monthly premium by \$60 per month in 2024.
- **If employees are NOT tobacco users, they will simply attest to that online during Open Enrollment, October 9-27, 2023.**
- During Open Enrollment, they will need to attest during the online enrollment process. This step is critical to ensure employees receive the lower premium for 2024.
- This month, employees who took no action on tobacco attestation last year will receive a postcard reminder regarding 2024 Open Enrollment.
