## IMPORTANT REMINDERS

### Rule on Enrollment Exceptions and Appeals Change Notice

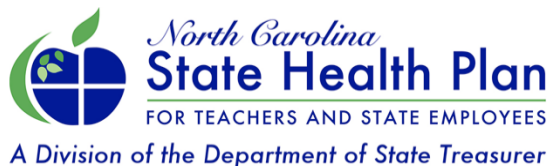

The State Health Plan is making technical changes to its Rule on Enrollment Exceptions and Appeals. A copy of these changes can be found [here](#). This is regarding the new form the Plan released for exceptions, collecting the information differently, and required the Plan to update this rule. No other changes were made.

There is a 30-day opportunity to comment, commencing today. Comments should be sent to [SHPRuleFeedback@nctreasurer.com](mailto:SHPRuleFeedback@nctreasurer.com).

### HBR Monthly Webinars

At last week's monthly HBR webinar, it was announced that the Plan would be canceling November and December's HBRs webinars.

If there are any important announcements, the Plan will communicate them to HBRs as necessary. You should have received a cancellation notice if you registered for them.
