Reminder: State Health Plan Road Tour with Aetna Coming to Downtown Raleigh TOMORROW

The State Health Plan (Plan) is partnering with Aetna, the Plan's new Third-Party Administrator beginning Jan. 1, 2025, for a 25-stop tour of the state to meet with state employees and teachers about the benefits and enhanced programs offered to Plan members beginning in January.

The road tour, featuring Aetna-themed vehicles, will be in downtown Raleigh tomorrow, August 22 at the Bicentennial Plaza from 11 a.m. to 3 p.m. The road show will then travel the state from late August through late October with stops in Charlotte, Wilmington, Asheville, Winston-Salem, Fayetteville and numerous other locations.

Plan members will have the opportunity to learn more about Aetna and ask questions prior to the 2025 Open Enrollment period, which will be held Sept. 30-Oct. 25, 2024. Flu shots will also be available while supplies last. Representatives from Eat Smart Move More Weigh Less will also be onsite to offer details about the program.

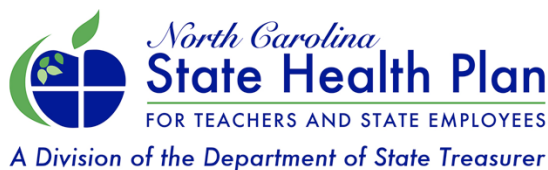

The Plan will also offer webinars and Telephone Town Hall events for those who cannot attend in-person events. To find the complete schedule for all events visit the Plan's [website](#).

As a reminder, the same plan options, the Base PPO Plan (70/30) and the Enhanced PPO Plan (80/20), will be available in 2025 and benefits and premiums are staying the same. Plan members will start receiving 2025 Open Enrollment information in the mail soon.

To keep up to date on all things related to your State Health Plan benefits follow the Plan on social media: Facebook (www.facebook.com/SHPNC) and Instagram (@nchealthplan). Members are also encouraged to sign up for the free monthly e-newsletter Member Focus at the Plan's website, www.shpnc.org.

Please share this event and information with your employees!
