## 2022 Premium Rate CORRECTION

Please disregard the 2022 State Health Plan premium rates that were sent out in last week's HBR Alert. It has been determined that adjustments to the rates needed to be made based on updated guidance regarding FY 2022 to FY 2021 appropriations as stated in SL 2020-45. These adjustments impact the **Employer Rate** as well as the **Employee Rate** for those that are 50% and 100% Contributory. Please see the **CORRECT** Employer Rates below.

- Active Employer Contribution Rate: \$532.36
- Medicare Primary Employer Contribution Rate: \$413.60
- Non-Permanent Full-time Employer Rate (HDHP): \$145.50

We apologize for any inconvenience this correction may cause.
