## 2023 HBR Annual Certification Under Way

The State Health Plan is conducting its HBR Annual Certification, which includes a brief online training that is required of all HBRs. This training can be accessed via [HBR University](#) and must be completed by February 10, 2023.

This certification is designed to be simple and straightforward. Just log into [HBR University](#) and take the brief online training. If this training is not completed by February 10, 2023, access to eBenefits will be terminated. The Plan has the responsibility to ensure that HBRs are fully educated on all policies and practices applicable to the Plan.

This requirement has been implemented in the interests of the employees you serve. Your cooperation in the training will help us maintain and improve the support and communications we provide. Thank you in advance!
