

October 18, 2022, HBR Alert – OE Under Way, Employees Need to Take Action

Open Enrollment Under Way - Employees Need to TAKE ACTION!

Please remind your employees the importance of completing Open Enrollment by Oct. 28, or risk paying more for their coverage in 2023! Utilize the Open Enrollment poster below in any emails or any internal communication avenues you have with your employees to encourage participation.

If employees have been unable to log into BEACON due to the NCID system maintenance last week, please communicate to employees that they are able to call the Plan's Eligibility and Enrollment Support Center at 855-859-0966 to complete their enrollment if needed. The call center is open until 10 p.m. each weeknight and will be open this Saturday from 8 a.m. to 5 p.m.

There have been a lot of dependents added that do not have required documentation loaded into eBenefits. Please also remind employees to provide documentation for any new dependents by Oct. 28, or they will be removed from coverage for the 2023 benefit year.

Thank you in advance for your help!
