

October 26, 2021, HBR Alert

Encourage Employees to Take Action NOW on Open Enrollment!

As we head into the last days of Open Enrollment (OE), we're behind by 40,000 enrollments from this time last year.

If you haven't already, we need HBRs to do targeted communications **NOW** to employees who haven't taken action! Call center activity is lighter in the evenings. **Encourage employees to NOT wait until the last minute.**

Friday is the last day! As a reminder, we're ending OE on a Friday at the request of our HBRs.

Below is a chart detailing where groups fall in terms of the number of employees completing enrollment. We appreciate your continuing efforts to encourage your employees to complete their OE online.
