

## June 4, 2019 Member Alert

### Attention State Health Plan Members: An Important Message from the State Treasurer

#### **Clear Pricing Project Update: How YOU Can Help**

Providers have less than 30 days to sign a contract and become partners with the State Health Plan on the Clear Pricing Project!

If providers do not sign a contract by July 1, 2019, they will be considered **out-of-network** for State Health Plan members beginning January 1, 2020.

As a reminder, this only affects members on the 80/20 Plan, the 70/30 Plan and the High Deductible Health Plan and only includes medical providers in North Carolina.

#### **How you can help!**

1. Ask your provider if they plan on signing a contract by July 1, 2019, to keep them in-network by joining the new North Carolina State Health Plan Network.
2. If they say no, ask them why they are against transparency and lowering the cost of health care.
3. Encourage co-workers or friends who are Plan members to join in the effort!

You can find the latest details, videos, FAQs and news on the Plan's [Clear Pricing Project page](#). You will find out more about the new network during Open Enrollment, which will take place October 1-31, 2019.
