Open Enrollment Medicare In-Person Outreach Events & Webinars Start Next Week!

The State Health Plan is here to help you through Open Enrollment, which will be held Sept. 30-Oct. 25, 2024.

For Medicare-eligible members, the State Health Plan is offering a variety of outreach events with information about your 2025 benefits. These include in-person events, webinars, and telephone town halls! In-person events start next week, and webinars are already underway! To view a complete list and to register, visit the Plan's [website](#). To view a complete list, click the green box below!

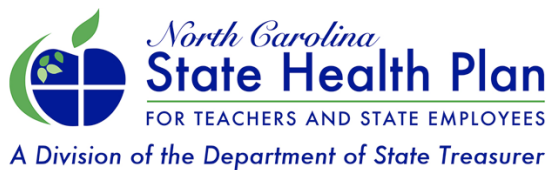

As a reminder for Medicare members, for the 2025 benefit year, members in the Humana Medicare Advantage Base and Enhanced plans will remain in that plan unless you would like to enroll in a different plan during Open Enrollment.

Medicare members enrolled in the Base PPO Plan (70/30) will be moved to the Humana Base Plan unless you enroll in the Base PPO Plan (70/30) during Open Enrollment. Starting Jan. 1, 2025, the State Health Plan is transitioning Third-Party Administrator services from Blue Cross NC to Aetna. While this **does not affect** Humana Medicare Advantage Plan members, it does impact Medicare members and dependents on the Base PPO Plan (70/30), which is currently administered by Blue Cross NC.

You will need to take action during Open Enrollment if you want to be enrolled in a different plan option or if you need to make any changes regarding your dependents.

Details on all of these options will be located in your Decision Guide, which will be coming to your mailbox soon, or you can visit the Plan's [website](#) for additional information and to register for an upcoming event.
