

October 12, 2022, Member Alert – OE for Actives-Non-Medicare

## Attention State Health Plan Members: Open Enrollment Has Started!

**All State Health Plan active members and non-Medicare retirees will be automatically enrolled in the Base PPO Plan (70/30) for the 2023 benefit year.**

Active members can reduce their premium in either the Enhanced PPO Plan (80/20) or the Base PPO Plan (70/30) by completing the tobacco attestation online during Open Enrollment.

Active members that would like to enroll in the Enhanced PPO Plan (80/20) or who wish to reduce their monthly premium in **either** plan will need to **TAKE ACTION** during Open Enrollment, which ends Oct. 28.

The Base PPO Plan (70/30) remains premium free for eligible retirees. **Retirees who wish to enroll in the Enhanced PPO Plan (80/20) and who wish to reduce their monthly premium by completing the tobacco attestation in that plan will need to TAKE ACTION during Open Enrollment, which ends Oct. 28.**

### Important Highlights about Your 2023 Benefits

- **No premium increases** for the 5th year in a row!

- Members who select a Clear Pricing Project Provider as their Primary Care Provider **will continue to enjoy a \$0 copay!**
- Members will continue to **enjoy a reduced copay** when visiting a Clear Pricing Project Specialist!
- Preferred and non-preferred insulin continues to have a **\$0 copay** for a 30-day supply!
- Preventive Services remain covered at **100%** – no copay or deductible – on either plan!
- The formulary (drug list), which determines what medications are covered and what tier they fall under, changes on a quarterly basis, so there is a possibility that you will have changes in your prescription coverage in 2023.
