# Annual Notice of Changes for 2018

**You are currently enrolled as a member of UnitedHealthcare® Group Medicare Advantage (PPO). Next year, there will be some changes to the plan's costs and benefits. This booklet tells about the changes.**

**Members enrolled in our plan through a former employer, union group or trust administrator (plan sponsor) can make plan changes at times designated by your plan sponsor.**

## What to do now

### 1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
  - It's important to review your coverage now to make sure it will meet your needs next plan year.
  - Do the changes affect the services you use?
  - Look in Section 1 for information about benefit and cost changes for our plan.
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
  - Will your drugs be covered?
  - Are your drugs in a different tier, with different cost sharing?
  - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
  - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
  - Review the 2018 Drug List and look in Section 1.6 for information about changes to our drug coverage.
- Check to see if your doctors and other providers will be in our network next plan year.
  - Are your doctors in our network?
  - What about the hospitals or other providers you use?
  - Look in Section 1.3 for information about our Provider Directory.
  - Because you are a member of the UnitedHealthcare® Group Medicare Advantage (PPO) plan, you can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of Medicare.

- Think about your overall health care costs.
  - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
- Think about whether you are happy with our plan.

## **2. CHOOSE: Decide whether** you want to change your plan

- If you want to keep UnitedHealthcare® Group Medicare Advantage (PPO), you don't need to do anything. You will stay in UnitedHealthcare® Group Medicare Advantage (PPO).
- Members enrolled in our plan through a plan sponsor can make plan changes at times designated by your plan sponsor.
- You should consult with your plan sponsor regarding the availability of other coverage before you enroll in a plan not offered by your plan sponsor, or before ending your membership in our plan outside of your plan sponsor's open enrollment period. It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage options and other retirement benefits before submitting a request to enroll in a plan not offered by your plan sponsor, or a request to end your membership in our plan.

## Section 1: Changes to Benefits and Costs for Next Plan Year

### SECTION 1.1 Changes to the Monthly Premium

---

Your plan sponsor will notify you of any changes to your plan premium amount, if applicable

### SECTION 1.2 There Are No Changes to Your Maximum Out-of-Pocket Amounts

---

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the plan year. These limits are called the “maximum out-of-pocket amounts.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the plan year.

### SECTION 1.3 Changes to the Provider Network

---

Because you are a member of the UnitedHealthcare Group Medicare Advantage (PPO) plan, **you can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of Medicare.**

There are changes to our network of providers for the next plan year. An updated Provider Directory is located on our website at [www.UHCRetiree.com/ncshp](http://www.UHCRetiree.com/ncshp). You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory.

It is important that you know that we may make changes to our network of hospitals, doctors, and specialists (providers) that are part of your plan during the plan year. There are a number of reasons why your network provider might leave your plan. If this happens, you may continue to see the provider as long as he/she continues to participate in Medicare and the care you receive is a covered service and is medically necessary. Even though our network of providers may change during the plan year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists. When possible we will provide you with at least 30 days’ notice that your network provider is leaving our plan. You may call Customer Service at the number listed in Chapter 2 of this booklet if you have questions.

### SECTION 1.4 Changes to the Pharmacy Network

---

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next plan year. An updated Pharmacy Directory is located on our website at [www.UHCRetiree.com/ncshp](http://www.UHCRetiree.com/ncshp). You may also call Customer Service for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2018 Pharmacy Directory to see which pharmacies are in our network.**

## SECTION 1.5 Changes to Benefits and Costs for Medical Services

We are changing our coverage for certain medical services next plan year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, **Medical Benefits Chart (what is covered and what you pay)**, in your **2018 Evidence of Coverage**.

Cost	2017 (this plan year)	2018 (next plan year)
<b>Diabetes Monitoring Supplies</b>	<p>You pay a \$0 copayment (in-network).</p> <p>You pay a \$0 copayment (out-of-network).</p> <p>We only cover blood glucose monitors and test strips from the following brands: OneTouch Ultra® 2 System, OneTouch UltraMini®, OneTouch Verio®, OneTouch Verio® Sync, OneTouch Verio® IQ, OneTouch Verio® Flex System Kit, ACCU-CHEK® Nano SmartView, and ACCU-CHEK® Aviva Plus.</p> <p>If you use a brand of supplies that is not covered by our plan, you should speak with your doctor to get a new prescription for a covered brand or you or your doctor can request an exception.</p>	<p>You pay a \$0 copayment (in-network).</p> <p>You pay a \$0 copayment (out-of-network).</p> <p>We only cover blood glucose monitors and test strips from the following brands: OneTouch® Ultra® 2, OneTouch® UltraMini®, OneTouch® Verio®, OneTouch® Verio® IQ, OneTouch® Verio® Flex™, ACCU-CHEK® Guide, ACCU-CHEK® Aviva Plus, ACCU-CHEK® Nano SmartView, ACCU-CHEK® Aviva Connect</p> <p>If you use a brand of supplies that is not covered by our plan, you should speak with your doctor to get a new prescription for a covered brand or you or your doctor can request an exception.</p>

## SECTION 1.6 Changes to Part D Prescription Drug Coverage

---

### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” The Drug List we included in this booklet includes many — **but not all** — of the drugs that we will cover next plan year. If you don’t see your drug on this list, it might still be covered. **You can get the complete Drug List** by calling Customer Service 1-866-747-1014, TTY 711, 8 a.m. – 8 p.m. ET, Monday – Friday or visiting our website [www.UHCRetiree.com/ncshp](http://www.UHCRetiree.com/ncshp).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered the next plan year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug.
  - To learn what you must do to ask for an exception, see Chapter 9 of your **Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))** or call Customer Service.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a one-time, temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the **Evidence of Coverage**.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you have obtained approval for a formulary exception this plan year, please refer to the approved through date provided on your approval letter to determine when your approval expires. After the date of expiration on your approval letter, you will need to obtain a new approval in order for the plan to continue to cover the drug, if the drug still requires an exception and you and your doctor feel it is needed. To learn what you must do to ask for an exception, see Chapter 9 of your Evidence of Coverage or call Customer Service.

**There Are No Changes to Prescription Drug Tier Copayments or to the \$2,500 Annual Drug Out-of-Pocket Maximum for Plan Year 2018.**

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you get “Extra Help” and haven’t received this insert, please call Customer Service and ask for the “LIS Rider.” Phone numbers for Customer Service are in Section 6.1 of this booklet.

## Section 2: Deciding Which Plan to Choose

### SECTION 2.1 If You Want to Stay in UnitedHealthcare® Group Medicare Advantage (PPO)

---

**To stay in our plan you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for plan year 2018.

### SECTION 2.2 If You Want to Change Plans

---

You should consult with your plan sponsor regarding the availability of other employer-sponsored coverage before you enroll in a plan not offered by your plan sponsor, or before ending your membership in our plan outside of your plan sponsor's Annual Enrollment Period. It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage.

## Section 3: Deadline for Changing Plans

**Because you are enrolled in our plan through your plan sponsor, you are only allowed to make plan changes at times designated by your plan sponsor.**

**Important Note:** You may join or leave a plan only at certain times designated by your plan sponsor. If you choose to enroll in a Medicare health plan or Medicare prescription drug plan that is not offered by your plan sponsor, you may lose the option to enroll in a plan offered by your plan sponsor in the future. You could also lose coverage for other employer-sponsored retirement benefits you may currently have through your plan sponsor. Once enrolled in our plan, if you choose to end your membership outside of your plan sponsor's Annual Enrollment Period, re-enrollment in any plan your plan sponsor offers may not be permitted, or you may have to wait until their next Annual Enrollment Period.

**You should consult with your plan sponsor regarding the availability of other employer sponsored coverage before you enroll in a plan not offered by your plan sponsor, or before ending your membership in our plan outside of your plan sponsor's Annual Enrollment Period. It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage options and other retirement benefits before submitting a request to enroll in a plan not offered by your plan sponsor, or a request to end your membership in our plan.**

## Section 4: Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. Your SHIP is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. Your SHIP's counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. A list of SHIPs in all states and their contact information can be found in **Exhibit A** of the **Evidence of Coverage**.

## Section 5: Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs.** If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don't even know it. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
  - Your State Medicaid Office (applications).
- **Help from your state's pharmaceutical assistance program. Your state may have** a State Pharmaceutical Assistance Program program that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the names and phone numbers for this organization can be found in **Exhibit E** of the **Evidence of Coverage**).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP in your state. For information on eligibility criteria, covered drugs, or how to enroll in the program, please look in **Exhibit D** of the **Evidence of Coverage**.
