More savings

Save on a wide range of popular health and fitness products, such as wearable fitness devices, fitness kits and more. And you'll enjoy no-cost shipping on all orders.

You have two ways to order through ChooseHealthy:

- **Online:** Once you receive your new Aetna member ID card, create an account for discounts on all future orders.
- **By phone:** For more information or help finding a provider, call [1-877-335-2746](tel:1-877-335-2746).

Built-in plan discounts with no referrals, claims or limits. Your family can use them, too.

How to get started

Beginning January 1, 2025, visit [SHPNC.org](https://www.shpnc.org), log in to **eBenefits** and click **Aetna member portal** under **Quick Links**. Use your new Aetna member ID card to create an account to receive discounts.

DISCOUNT OFFERS ARE NOT INSURANCE. These are not benefits of the State Health Plan. You get access to discounts off the regular charge on products and services offered by third-party vendors and providers. Aetna makes no payment to the third parties — you are responsible for the full cost. Check any insurance plan benefits you have before using these discount offers, as those benefits may give you lower costs than these discounts.
