💡 **HELPFUL TIPS:**

- If you don't find the doctor you are looking for, try searching for the medical practice or group name.
- Some doctors may be in-network but will not appear in the directory. This is usually due to the practice not choosing to list nurse practitioners and/or physician assistants.
- Members are encouraged to call the Aetna Health Concierge (Customer Service) line at 833-690-1037 for additional assistance.
